DESCRIPTION

Men’s boxer in stretch cotton, shown in a short, close-fitting cut that sits at the upper thigh. Made from 95% cotton / 5% elastane at 170 g/m², it delivers a soft feel and reliable stretch for everyday comfort and support. The flat elastic waistband with contrast stripes provides secure hold without digging in, making it suitable for wear under fitted clothing. Available in multiple colours, for example Black, Navy and Oxford Grey, and in sizes S to XXL.

Visible details include flatlock seams and a contoured front panel for improved support. The fabric presents a smooth jersey appearance, easy to care for and suited to regular washing. The combination of cut and fabric makes this boxer a practical staple for uniforms, sports clubs or individual use.

This personalised boxer can be customised from one piece using embroidery, DTF printing, flex, screen printing and transfer; embroidered patches are also available. Ideal for businesses, clubs, associations, events and private customers — our studio can vectorise or retouch your logo.
