## DESCRIPTION

This round-neck baby sweatshirt features a snug fit and a soft brushed fleece (3-layer) made from 85% organic cotton and 15% recycled polyester, offering comfort with an eco-friendly composition. The 1x1 rib neckline and twin-needle finishes give durability and neat edges, and there is no brand label at the collar to ease customization.

Designed for everyday wear, it includes two press-studs (one at the neck and one on the shoulder) for easy dressing, a tone-on-tone jersey neck tape and ribbed cuffs and hem for a tidy finish. Offered in several colours such as Navy, Sage or Oxford Grey, it comes in sizes 6M to 36M.

This personalised sweatshirt can be customised from one piece. We personalise on a wide range of textile and offer Screen Printing, Transfer, DTF Printing, Flex and Embroidery. Suitable for companies, sports clubs, associations, schools and private customers who want a durable, personalised baby garment.
