DESCRIPTION

Baby trousers with a slim fit designed for daily comfort. Made from brushed 3-ply fleece (85% organic cotton, 15% recycled polyester), the outer surface is primarily cotton and the elasticated waistband makes dressing easy. Ribbed cuffs at the leg ends and the absence of a brand label (only a size tag) simplify wearing and customisation. Wash following the supplier's enzyme wash guidance.

Practical details include the elasticated waist, rib cuffs to keep the legs in place and a tailored cut that follows a baby's movements. Available in several colours such as Navy, Sage or Terracotta Red and in sizes 6M to 36M (6 sizes), it suits newborn collections and everyday wear.

This personalised trousers can be customised from a single piece and our graphic studio can vectorise or retouch your logo. Possible techniques: embroidery, DTF printing, flex, screen printing, transfer and embroidered patches. Recommended for nurseries, associations, clubs and private customers looking for an eco-responsible option.
