DESCRIPTION

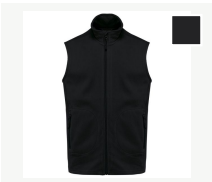

Unisex bodywarmer with a straight cut, made from anti-pilling micropolar 100% post-consumer recycled polyester to provide warmth without bulk. Features include a high collar, two zippered side pockets and double-needle finishes around the pockets and hem for durability. A Tear Away label simplifies removal before decoration. Available in sizes XS to 5XL and multiple colour options to suit teams or events.

This personalised bodywarmer can be customised from one piece on a wide range of textiles using embroidery, screen printing transfer, MSO transfer, DTF printing or flex heat transfer. Recommended for companies, sports clubs, associations, events and private customers seeking an eco-responsible, easy-to-decorate outer layer.

KEY FEATURES

- 100% recycled garment made from plastic bottles.
- Comfort, heat retention and durability are guaranteed due to the anti-pilling microfleece.
