DESCRIPTION

Unisex eco-friendly polar fleece jacket with a straight cut, engineered to keep warmth while remaining lightweight. Made from post-consumer recycled polyester with anti-pilling finish, it features double-needle detailing at pockets, cuffs and hem. High collar with an internal hanging loop, full zip closure and two zip side pockets for secure storage. Offered in several colours, for example Black, Navy or Red, available from XS to 5XL. Easy to care for following the manufacturer's instructions.

This polar fleece can be personalised polar fleece from one piece by embroidery for a durable, professional finish. Recommended for companies, sports clubs, associations, events and private customers. Our design studio can vectorise your logo if required.

KEY FEATURES

- Comfort, heat retention and durability are guaranteed due to the anti-pilling microfleece.
- 100% recycled garment made from plastic bottles.
- Detachable brand label for easy decoration access.
