DESCRIPTION

Men's sleeveless fleece designed for easy layering. Made from 100% polyester micropolar with anti-pilling treatment to keep a smooth, soft finish over time. It features a full-length zip and a high collar for wind protection, plus two side pockets with cover-stitching for clean detailing. Offered in several colours (e.g. Navy, Red, Ash Heather) and sizes S to 5XL, it is maintained like typical technical apparel and suits both workwear and casual use.

This personalised fleece is suitable for embroidery: we provide embroidery on a wide range of textiles for companies, sports clubs, associations, events and private customers. Our studio can vectorise your logo and prepare it for stitching. Customisable from one piece, it works well for team clothing, staff uniforms or bespoke gifts.
