Reference	KC1050
Composition	Metal
Material	Metal
Average weight	0.161
Dimensions	Ø9,5 x 5,5 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Metal tin containing a 5-piece shoe care kit designed for travel. The set includes a polishing cloth, a shoehorn, a large brush, a small detail brush and a neutral shoe polish. The round tin (Ø9.5 x 5.5 cm) keeps the items protected and compact for luggage or a carry bag, while the metal shell offers robust, neat presentation.

Practically, the kit covers routine shoe maintenance on the move: the large brush covers broad areas, the small brush reaches seams and details, and the cloth provides the finishing shine. The shoehorn helps putting shoes on without damaging the heel. The compact tin prevents leakage and keeps all components organised.

Customisable by digital printing, laser engraving or pad printing, this personalised travel accessory suits companies, sports clubs, associations, events and corporate gifts. Minimum order: 25 pieces (colours and sizes combined). Free weekday quote in 24 hours; graphic studio available to retouch or vectorise logos; collection in Evere or delivery to Belgium, France and Luxembourg.
