Practical and unobtrusive, it suits everyday professional and personal use.

The square plastic housing has a clean, matte finish and a metal ring with short chain for secure attachment. The item is offered in several colour options — for example white, black or red (subject to availability). Low maintenance: wipe with a damp cloth when needed.

Customisation options include digital printing, doming and pad printing, making this a suitable personalised tape measure for companies, clubs, associations, events and individuals.
