## DESCRIPTION

PP flying disc with a 23 cm diameter, designed for beach and outdoor leisure. Its flat profile and smooth finish provide stable flight characteristics, while concentric moulded rings on the central area and rim improve grip and control. Lightweight and easy to clean with soapy water, it is convenient to carry for recreational use.

The Sydney frisbee is available in several colours (including blue, white, yellow) and features a flat central area well suited to printing. The ribbed rim enhances handling during throws, making it a practical choice for casual play at beaches, parks and outdoor events.

This personalised frisbee can be customised by screen printing, pad printing or digital printing. Minimum order: 50 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations, events and individuals looking for a lightweight, colourful promotional item.

## COLOURS (6)
