Battery type UM3 (AA)

Ref. KC1803

Reference	KC1803
Composition	Battery
Material	Battery
Average weight	0.014
Country of origin	China
Carton	1200 pieces

DESCRIPTION

These AA/AAA batteries (Bitra 3 model) provide a practical power source for portable devices, remote controls and small electronic equipment. They have the standard cylindrical shape with a protruding positive terminal and a printed outer sleeve. The item is available in several colours (multicolour) and is handled like a conventional single-use battery; always follow your device's instructions for installation and replacement.

The straightforward design makes storage and handling easy: readable markings on the wrapper and metal end caps for reliable electrical contact. This product is supplied with a minimum order quantity of 600 pieces (colours and sizes combined). Smaller quantities can be arranged but will incur additional charges.

For custom promotional items we offer marking methods including pad printing, screen printing and digital printing on objects (embroidery is not applicable to this type of item). Suitable for businesses, sports clubs, associations, events and private customers seeking personalised AA/AAA batteries. Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
