Ref. KC2182

Reference	KC2182
Composition	Metal
Material	Metal
Average weight	0.071
Dimensions	8 x 6 x 3CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Colindales tape measure is a compact metal tool suitable for companies, sports clubs and associations. It features a 2-metre measuring tape, an integrated spirit level for quick levelling and comes with a notepad and ballpoint for on-the-spot notes. Its small dimensions (8 x 6 x 3 cm) make it easy to carry in a pocket or toolbox while the metal construction provides durable everyday use.

The casing includes a clear flap protecting the notepad, a locking mechanism for the blade and a fixing hole for attachment. The metal tape extends and locks to enable precise measuring on site; the built-in spirit level gives an immediate check of horizontality. Care is straightforward: wipe the blade and case clean after use to remove dust and debris.

The Colindales can be personalised using pad printing. Minimum order: 100 pieces. A practical choice for corporate gifts, promotional events, clubs and associations. Free quote within 24 hours on weekdays; our studio can prepare or vectorise your logo for print.
