DESCRIPTION

Aluminium business card holder, model Epsom, designed to keep business cards protected while maintaining a slim profile. The rigid aluminium shell provides durability and rounded edges for comfortable carry in a pocket or bag. Compact size 9.35 x 6 x 0.55 cm, with a smooth metallic finish visible in the photo; easy to clean with a soft cloth.

The lid uses an integrated hinge for a clean opening that allows quick access to cards. The overall finish is minimalist and free of extra fittings, leaving a flat surface ideal for branding applications.

Customisation options include laser engraving, doming, tampography and digital printing — ideal as a personalised Accessoires de voyage for companies, trade shows, associations and events. Minimum order quantity: 125 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our graphic studio can vectorise or refine your logo.
