DESCRIPTION

The Soraia double compact mirror in glass is designed for everyday care and precise make-up retouches. At Ø6x0.6 cm it features two sides: a flat mirror and a magnifying mirror for detailed work. Supplied in a velvet pouch, it slips easily into a pocket or handbag and is practical for on-the-go use. Clean with a soft cloth to maintain clarity.

The hinge allows the mirror to open flat and be positioned as needed; its slim profile makes it discreet and lightweight to carry. The pouch protects the mirror faces from scratches and keeps the item safe between uses. Its compact dimensions suit event bags and personal toiletry kits.

Useful as a promotional gift for companies, clubs or events, the Soraia can be customised by laser engraving, pad printing or digital printing depending on the desired finish. Minimum order: 150 pieces (colours and sizes combined). Well suited for corporate giveaways, merchandising or event promotions.
