DESCRIPTION

The "Gentleman" shoe care kit in PU brings together essential shoe maintenance items in a compact Ø7x16 cm roll case. The cylindrical pouch fastens with a snap strap and stores a wooden brush, a black shoehorn, an applicator sponge, a polishing cloth and a tin of neutral polish. The rolled design with stitched detail keeps the set neat and makes it easy to slip into luggage or a travel bag.

Components are designed for travel use: the wooden brush offers a good grip, the shoehorn eases dressing and the sponge ensures even polish application. The PU case wipes clean; consumables can be replaced as needed.
