DESCRIPTION

The Costieres gift box in MDF is designed to hold one bottle and matching accessories, with external dimensions of 36.5 x 12 x 11 cm. The rectangular box features a hinged lid with a clasp and an internal insert that secures the bottle and accessories in place. Its rigid build gives reliable protection for presentation and transport; care is limited to wiping with a damp cloth.

The finish shows clean edges and simple joins, making the box suitable for corporate gifting and event use. The compact footprint fits easily into display racks or delivery packaging. It accommodates a single bottle alone or with tools (corkscrew, stopper, pourer) and keeps contents secure during handling.

This personalised gift box can be marked by tampography, digital printing or screen printing. Minimum order: 5 pieces (colours and sizes combined). Recommended for companies, clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo prior to marking.
