Anti-stress football

Ref. KC2718

Reference	KC2718
Composition	PU
Material	PU
Average weight	0.02
Dimensions	Ø6 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Small stress ball in PU, Ø6 cm, designed as an indoor game for children to relieve tension and provide quiet play. Its spherical shape and smooth surface give a comfortable grip and a soft squeeze feel, and it can be wiped clean with a damp cloth for easy maintenance.

The visible seams and panel pattern recreate a miniature football look with a matte, consistent finish. Available in multiple colourways, for example white and black. Minimum order: 100 pieces (colours and sizes combined) — this item is not available to order individually.

This indoor game can be personalised by laser engraving and pad printing, suitable for adding logos for companies, sports clubs, schools, associations or events. Our studio can retouch or vectorise your artwork if required.
