DESCRIPTION

PU stress cube, 6x6x6 cm, designed for easy squeezing and comfortable handling. Its slightly rounded shape and softened edges give a pleasant grip while the smooth PU surface is simple to clean. This indoor game item is suitable for offices, events, exhibition stands and relaxation or team-building activities. It is offered in several colours (e.g. white, red, blue) depending on stock and is compact for easy distribution.

The foam core with PU covering allows the cube to regain its shape after compression, making it suitable for repeated use. The Relicup model features flat faces ideal for printing short words or simple graphics. At 6x6x6 cm it’s convenient to include in giveaway packs or hand out at events.

Personalise this personalised game from a minimum order of 100 pieces (minimum order: 100 pieces, colours and sizes combined). Available marking techniques: flex, laser engraving, pad printing, multicolour transfer, DTF printing. We provide a free quote within 24 hours on weekdays, a graphic studio to prepare or vectorise your logo, and delivery in Belgium, France and Luxembourg or collection at our Evere workshop.
