Reference	KC3102
Composition	PS
Material	PS
Average weight	0.016
Dimensions	18,5 x 4,5 x 0,3 CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

The Lasta transparent ruler in PS is a compact desk accessory combining a 15 cm graduated edge, an integrated protractor and a built-in magnifier — practical for office or school use. Its slim rectangular shape is easy to store in pencil cases or drawers and requires only basic cleaning to keep it clear.

The protractor and magnifier are moulded into the same piece, providing a solid feel without separate attachments. Clear graduations run the full length, making it suitable for precise measuring and drawing. Dimensions: 18.5 x 4.5 x 0.3 cm.

Sold with a minimum order of 250 units, this personalised desk accessory can be decorated by tampography, digital printing or doming, and is suitable for companies, schools, associations, clubs and events. Our studio can retouch or vectorise your logo; smaller quantities are possible with additional fees.
