Reference	KC3525
Composition	PE
Material	PE
Average weight	0.5
Dimensions	15,5 x 10 x 4,9 CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

Compact tool kit in PE presented in a rigid case measuring 15.5 x 10 x 4.9 cm. Designed for general-purpose use, the set includes small pliers (including needle-nose and cutting pliers), a selection of screwdriver bits with a bit holder and a set of precision screwdrivers, suitable for routine repairs and on-the-go tasks. The PE case offers lightweight protection and easy handling; the metal tools provide the expected durability. Care is straightforward: wipe tools with a dry cloth and store the case in a dry place.

The case is organised to keep each item securely in place, simplifying storage and transport. The lower compartment houses bits and screwdrivers while the upper section holds the pliers; a snap closure gives quick access. Its compact dimensions make it suitable for glove compartments, mobile workstations or corporate giveaways.

These personalised tools and torches can be marked using digital printing, doming and pad printing. Ideal for companies, clubs, associations, events and promotional gifts. Minimum order: 15 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Our graphic studio can prepare or vectorise your logo.
