DESCRIPTION

The Fizz luxury cocktail set includes the essentials for cocktail preparation: a metal shaker with a fitted cap, a stainless steel jigger and a small coil strainer. Crafted from stainless steel, the set presents a polished finish and a sturdy feel suitable for professional use or home bartending. The visible smooth surfaces are easy to wipe clean after use.

The gift set comprises classic shapes — cylindrical shaker, double-sided graduated jigger and spring strainer — that nest neatly for compact storage. At 26.5 x 23.5 x 9 cm it is convenient to transport for events or promotional use. Stainless steel construction provides reliable durability without affecting drink flavours.
