## DESCRIPTION

This PS sliding puzzle is a compact indoor game (9 x 7.5 x 0.5 cm) designed for promotional use. Its rounded-rectangle shape and grid of small movable tiles provide straightforward handling, making it suitable for children and promotional stands. The piece is lightweight and durable for normal use and can be wiped clean with a damp cloth.

The Diver model features an array of sliding squares and a circular cut-out that serves as a visual and functional detail. Its slim profile and moulded finish make it easy to include in giveaway bags or pocketed promotional kits. Exact size noted: 9X7,5X0,5 CM.

This personalised indoor game can be branded by digital printing or pad printing (tampography), depending on the finish required. Recommended for businesses, clubs, associations, schools and events. Minimum order: 250 pieces (colours and sizes combined) — smaller quantities are possible with additional fees. personalised indoor game
