DESCRIPTION

The Cumuli umbrella features a wooden shaft and handle with an automatic open mechanism for everyday use. Its classic dome offers a generous coverage of Ø103 x 89.5 cm to keep users dry, while the J-shaped wooden handle provides a comfortable, secure grip. The model is available in several colours, for example green, blue or black.

The frame and fittings are designed for regular use: a sturdy rib construction and a balanced profile allow the umbrella to stand when leaned. The wooden finish on the shaft gives a refined look and is simple to maintain. Stated dimensions: Ø103 x 89.5 cm.

Customisable from 10 pieces (colours and sizes combined), this personalised umbrella can be printed on the canopy or upper panels. Available marking techniques: flex, sublimation, screen printing on objects, multicolour transfer and DTF printing. Ideal for companies, sports clubs, associations, events and corporate gifts.
