DESCRIPTION

The Cala umbrella features a wooden shaft and J-handle, designed for adult everyday use. The canopy is made of PE 190T and opens manually; with a generous Ø103 cm span it provides ample cover. Its classic wooden hook handle offers comfortable grip and a timeless look, suitable for urban commuting and hospitality uses. Available in several colours, for example Bordeaux, Black and Blue.

The umbrella uses a traditional rib structure with reinforced tips to keep the canopy taut; the straight shaft of around 60 cm makes storage straightforward. This model has no automatic opening — a simple, dependable choice for regular use. The plain panels provide a clean surface for crisp branding.

This personalised umbrella can be decorated by screen printing, multicolour transfer, DTF printing, sublimation or flex, and suits companies, clubs, associations, events and corporate gifts. Minimum order: 10 pieces (colours combined); lower quantities are possible with additional fees.
