DESCRIPTION

The Trucky metal keychain reproduces a lorry-and-trailer silhouette in a compact format (10.5 x 3.2 x 0.7 cm). Its polished metal finish and slim profile make it a sturdy, unobtrusive accessory for everyday carry. Supplied in a gift box, it presents well for client giveaways or event merchandise.

The design features a solid ring and rigid attachment for secure use; molded details define the cab, trailer and wheels for a crisp appearance. Low maintenance — a soft cloth wipe is enough to keep the metal surface shining.
