Reference	KC6333
Composition	PET-PA
Material	PET-PA
Average weight	0.075
Dimensions	80 x 40 CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

Unisex Drye sports towel designed for workouts and outdoor activities. Measuring 80 x 40 cm and made from PET-PA (70% polyester / 30% polyamide as stated), the fabric provides good absorbency and quick-drying performance while remaining lightweight. It comes with a nylon pouch featuring an adjustable drawcord closure, convenient to carry in a gym bag or attach to a backpack. Available in several colours, for example blue and green.

The towel shows stitched edging to reduce fraying and a microfibre-like surface that makes cleaning and care straightforward. The nylon pouch protects the towel and allows compact storage; the drawcord with toggle ensures easy, secure closure.

Customisation available from a minimum order of 50 pieces (colours and sizes combined): personalised sports towel using multicolour transfer, DTF printing, screen printing on items, flex or embroidery. Suitable for companies, sports clubs, associations, events and private customers — free quote within 24 hours on weekdays.
