DESCRIPTION

Large Boccaria travel bag made from PET, designed to hold a weekend's worth of belongings or gear for short trips. Its rectangular shape and dimensions (67.5 x 17 x 38 cm) provide generous capacity while remaining easy to carry. The bag features reinforced PVC handles and corner patches that improve structure and hand-carry comfort. A full-width top zip gives straightforward access to the main compartment. The PET construction keeps the bag lightweight yet suitable for regular use.

Practical details you will notice: a front badge area suitable for identification or marking, visible stitching where handles and reinforcements are attached for added durability, and simple care — spot-clean with a damp cloth as needed. The bag is available in several colours, for example black, navy and grey.

Customisation options include personalised travel bag printing with flex, screen printing on objects, multicolour transfer and DTF printing. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
