Country of origin	China
Carton	50 pieces

DESCRIPTION

Metal badminton set designed for outdoor and beach use. The photo shows two metal-framed rackets and two shuttlecocks stored in a clear zippered carry case with a shoulder strap; overall dimensions 66 x 21 x 2.7 cm. Its compact format and protective case make it easy to transport and store, while the metal construction provides adequate stiffness for recreational play. Care is straightforward: wipe metal parts and the case after outdoor use.

In practice, the zippered case protects the rackets and can be carried over the shoulder for convenience; the zip gives quick access to the kit. Suitable for beach games, park activities or event entertainment, the lightweight set is practical for group outings and promotions.

Customisation available by screen printing on objects to brand the case or flat surfaces. Well suited to businesses, sports clubs, associations, events and promotional giveaways. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
