DESCRIPTION

The Moments foldable seat mat is intended for outdoor events: lightweight yet durable, it is made from 210D nylon (PA) and packs easily into a bag. Its flat shape and fold panels allow simple placement on a chair or directly on the ground; the synthetic material is low-maintenance and dries quickly.

The mat folds into several panels as shown, creating a compact package measuring 32 x 26 x 0.8 cm when folded. Seams follow the fold lines to keep the panels aligned. The model comes in several colours, for example Bleu Bébé, Rouge and Noir. Please note: minimum order 50 pieces (colours and sizes combined).
