DESCRIPTION

The Donau cooler bag is designed for barbecue outings and small picnics. Made from PET with a PE foam insulation layer, it offers a compact 3L capacity. Its round, flexible shape holds a few cans or food portions and provides lightweight thermal protection for short outdoor trips.

The bag features a top zip closure and an adjustable shoulder strap for easy carrying. Its compact dimensions (Ø30 x 20 cm) make it simple to store and transport. Visible panels and seams add structure and durability for regular use and straightforward upkeep.

Customise this cooler bag using suitable techniques: personalised cooler bag via flex, screen printing on objects, multicolour transfer or DTF printing. Recommended for businesses, sports clubs, associations, events and private customers. Minimum order quantity: 3 pieces (colours and sizes combined).
