DESCRIPTION

The Donau East barbecue apron is designed for carrying and using grilling tools. Its straight cut and PET construction provide sturdy wear and easy maintenance: surface dirt can be wiped clean. With dimensions of 74 x 50 x 2 cm it gives ample coverage, suitable for outdoor catering, events and relaxed hospitality settings.

The apron features multiple vertical pockets for tools (spatula, tongs, fork) plus a larger pocket for a glove or accessories; an over-neck strap and side ties ensure a secure fit. Supplied with an oven glove and three BBQ tools, it’s practical for demonstrations, team barbecues and promotional events.

Order a personalised barbecue using multicolour transfer, DTF printing, flex, screen printing on objects or embroidery depending on the finish you want. Minimum order is 5 pieces (colours and sizes combined); lower quantities may be possible with additional fees.
