DESCRIPTION

The Vivi shopper is a beach or shopping bag made from non-woven polypropylene (PP), specified at 80 g/m². Its square profile with a flat base (39 x 12.5 x 35.5 cm) and long shoulder straps make it practical to carry; the material has a slightly textured finish and is easy to care for, suitable for event giveaways, retail use or promotional distribution. The bag is available in several colours — for example Blue — and features a two-tone lower panel as seen on the photo.

The stitched base and reinforced side seams give the bag good structure for holding printed materials or light items. Wide straps spread the weight for comfortable shoulder wear, making it convenient for everyday promotional use.

Order this personalised shopper with flex, screen printing, multicolour transfer or DTF printing. Recommended for companies, sports clubs, associations, events and private customers; minimum order 50 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo for production.
