DESCRIPTION

The Bermonds mint dispenser is a compact promotional item in PP, measuring 7 x 6 x 0.7 cm and holding around 8 g of sweets. Its rigid shell and smooth finish make it easy to carry in a bag; cleaning is simple with lukewarm water and a soft cloth. It is offered in several colours (for example white).

The lid forms a house-shaped roof and hides a small sliding compartment to dispense mints easily. The photo shows rounded edges and a matte surface that improve handling and reduce wear during frequent use.

As a promotional object, this personalised mint dispenser can be decorated by tampography or digital printing. Suitable for companies, sports clubs, associations, events and local promotions.
