DESCRIPTION

Small glass jar in a spherical shape, designed to hold 40 g of chocolates or sweets. The Chocky model features a screw metal lid and a fully transparent body that showcases the contents. With compact dimensions (5.5 x 5.5 x 3.5 cm), it is well suited to promotional giveaways, event displays or gift packs.

The glass provides a glossy finish and stable base while the metal screw cap ensures secure closure. Its rounded form and compact proportions make it easy to place on counters or tables; hand cleaning is recommended to preserve the finish and any decoration.

Available for customisation by digital printing, doming or laser engraving to add your logo or message. Ideal for companies, clubs, associations and events looking for a personalised candy jar. Minimum order: 72 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
