DESCRIPTION

Compact metal tin (6 x 4.9 x 1.7 cm) containing 25 g of mints. Its low-profile, rounded design makes it a discreet dispenser to carry in a pocket or place on a counter. The metal construction gives a solid feel and a smooth finish that cleans easily with a damp cloth.

The lid closes securely with no visible hinge, and the flat profile helps prevent accidental openings. Available in several colours, for example White, Matte Silver or Black, this tin is a practical giveaway for receptions, trade stands or point-of-sale use.

Personalise this personalised mints and sweets with laser engraving or digital printing to add your logo or artwork. Minimum order: 250 pieces (colours and sizes combined). Well suited to companies, sports clubs, associations, events and private individuals.
