The Boisel model features a natural wood body with black ink and measures Ø0.9 cm x 14.5 cm, providing a fine, well-balanced grip. The smooth finish highlights the wood grain while remaining pleasant to the touch; maintenance is simple — wipe with a dry cloth if needed.

This version has no clip or visible mechanism, giving it a clean, uniform appearance that suits centred or side marking. Lightweight and compact, it slips easily into a pocket or pen holder, making it suitable for conferences, corporate giveaways and promotional campaigns.

Customisation options include screen printing on objects, pad printing and laser engraving. This personalised pen requires a minimum order of 500 pieces (colours and sizes combined); lower quantities are possible with additional fees.
