## DESCRIPTION

Set of 3 Japanese-style knives Taki, supplied in a cardboard box for kitchen use. Stainless steel blades provide durability and easy maintenance, while PP handles give a straight, smooth grip. The compact box measures 37 x 14 x 2.8 cm, convenient for storage and gifting.

The knives feature long, slender blades suitable for precise slicing and cutting, with a black ferrule joining blade and handle. The presentation box protects the blades during transport and is practical for corporate gifts or hospitality use.

Customisation by laser engraving and pad printing is available to add your logo or message — suitable for businesses, restaurants, clubs and corporate gifting. Minimum order: 10 pieces (colours and sizes combined); a lower quantity may be possible with additional fees. Our graphic studio can retouch or vectorise your logo. Personalised kitchen utensils on request.
