Reference	KC6860
Composition	Aluminium
Material	Aluminium
Average weight	0.152
Dimensions	Ø2,5 x 8,5 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Compact aluminium torch designed for everyday carry or as an emergency light. The Led Plus model features knurled grip sections on the head and base, a wrist strap and a pocket-friendly size of Ø2.5x8.5 cm. Supplied in a metal tin with 3 AAA batteries, it uses 9 LEDs to deliver a compact, bright beam.

The aluminium construction gives a robust feel and a professional finish. Presented in a foam-lined tin that secures the torch and batteries, it is convenient as a gift or promotional handout at events. Its small footprint makes storage easy while the metal body improves longevity in regular use.

This personalised torch can be marked by laser engraving or by pad printing. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined).
