DESCRIPTION

Compact box of 5 adhesive plasters, model Evan, made from PP. Measuring 10 x 4 x 0.9 cm, the slim, rigid case protects its contents while remaining lightweight and pocket-friendly. It is offered in several colour options, for example Transparent, Blue Transparent and Red Transparent. Wiping with a damp cloth is enough to keep the exterior clean.

The case has rounded ends and a smooth finish with no visible moving parts, making it easy to handle in daily use. Its low profile makes it discreet in a bag or on a desk while keeping the plasters neatly stored inside.
