DESCRIPTION

Spiral notebook measuring 26x19 cm, made from recycled paper with 70 sheets (140 pages). The rigid cover and spiral binding provide reliable durability, while the supplied ballpoint pen fits into an elastic pen loop at the side for convenient portability. The notebook has a minimalist finish and the recycled paper accepts everyday ink well. FSC® certified.

The spiral allows the notebook to lie flat, making writing on every page easy. The push-button pen combines recycled cardboard and biodegradable plastic parts, with blue ink. Its format and sturdiness suit meetings, training sessions and events where ease of note-taking and pen storage matter.

This personalised notebook is available from a minimum order of 20 pieces. Customisation techniques offered: embossing, digital printing, doming, laser engraving, pad printing and screen printing on items. Recommended for companies, sports clubs, associations, schools and event organisers seeking a practical, eco-friendly giveaway.
