## DESCRIPTION

The Airpro personalised toiletry pouch is a clear PET travel case designed for toiletries and on-the-go care. Sized at 19 x 4 x 16 cm, it is supplied with refillable bottles (100 ml, 50 ml and 10 ml) and two small jars, providing neat storage for liquids, gels and creams. The flat, lightweight shape slips easily into cabin luggage or a gym bag and suits both corporate and individual use.

The transparent finish offers immediate visibility of contents and a zip closure gives quick, secure access. The smooth PET surface wipes clean for simple maintenance, while the compact dimensions make it practical for promotional packs, guest amenities or event giveaways.

This pouch can be customised using screen printing to apply your logo or design — appropriate for companies, clubs, associations, events and personalised gifts. Item is not available per single piece: minimum order 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo.
