DESCRIPTION

The Trent ceramic mug holds 300 ml and is suited to everyday use in offices, events or hospitality. Made from stoneware, it features a slightly tapered shape and a comfortable handle for a secure grip. Dimensions Ø8.3 x 10 cm. Supplied in an individual corrugated cardboard box for easy storage and distribution. Care is straightforward: dishwasher-safe, though gentler cycles are recommended to maintain the finish.

The smooth glazed surface and compact profile make this mug practical for meeting rooms, staff kitchens or as a welcome gift. Its form allows convenient stacking and handling; the handle provides enough clearance for a two-finger hold, suitable for frequent use.

This personalised mug can be decorated by screen printing, pad printing or sublimation, depending on the desired result. Ideal for companies, clubs, associations and events looking for a useful branded item. Minimum order: 10 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and a graphics studio is available to prepare or vectorise your logo.
