DESCRIPTION

Push-button ballpen in recycled aluminium with the stated dimensions (Ø1 x 13.5 cm). Its slim, balanced shape provides a comfortable grip for everyday office use or events. The aluminium body keeps the pen lightweight while offering a refined metallic finish, suitable for slipping into a pocket or folder. It is offered in several colours, such as Black, Red or Silver.

The push mechanism is paired with a metal clip and chrome-plated tips that highlight the assembly points; two decorative rings at the centre add a subtle accent. The metal surface accepts marking cleanly and produces durable results. Dimensions: Ø1 x 13.5 cm.
