DESCRIPTION

Unisex isothermal backpack in ripstop and honeycomb polyester, engineered for competition and ultra-light comfort. One size with slim padded shoulder straps, a zip front pocket and an opening for a hydration bladder (bladder not included). Elastic side cords secure the load; the polyester construction cleans easily by wiping—avoid aggressive washing to keep the ripstop texture intact.

The backpack can be personalised from one piece using screen printing transfer, MSO transfer, DTF printing or flex (flocking). Suited to companies, sports clubs, associations, events and private customers seeking a personalised isothermal backpack, available in multiple colour options on a wide range of textile.
