## DESCRIPTION

Unisex backpack in 100% polyester with a roll-top closure to keep contents dry. Padded, breathable shoulder straps and a chest strap with an integrated safety whistle improve comfort and security. A front zip pocket is also waterproof, and compression straps stabilise the load — practical for watersports or motorcycle use. The design is available in several colours, for example Red/Black and Black, and comes in one size.

This backpack can be personalised from a single piece and suits companies, sports clubs, associations, events and individuals. Marking options include DTF printing, transfer, MSO transfer and flex. Our studio can retouch or vectorise your logo to ensure a neat, durable result on a wide range of textile. Free quotes provided within 24 hours on weekdays.
