DESCRIPTION

Unisex sports backpack designed for everyday use and travel. Made from polyester, it features a top flap with two adjustable buckles and an internal drawstring closure for secure access. The back is padded and breathable and the ergonomic shoulder straps are adjustable for comfortable carrying. The pack includes side pockets and an internal zipped pocket suitable for a phone or keys.

Compression straps at the base allow you to carry a jacket or lightweight coat, and the visible reinforced stitching and wide straps point to robust construction. The flap and drawstring combination gives quick access while the zipped pocket keeps small items secure.

Personalisation: this personalised sports backpack can be customised from 1 piece on a wide range of textile. Available marking techniques: screen printing transfer, MSO transfer, DTF printing and flex. Suited to companies, sports clubs, associations, schools, events and private customers.
