DESCRIPTION

One-size sports bag in 100% polyester designed to carry kit and personal items for training sessions, matches or events. It features a large main compartment with double zip and a deep, flat front pocket that provides a tidy area for branding. Padded ergonomic shoulder straps and a ventilated padded back panel give comfort and airflow; a padded top handle eases grab-and-go use.

The construction focuses on durability: reinforced stitching at the straps and double zips help the bag keep its shape under load. The fabric has a matte finish and is suited to normal polyester care routines, making it robust for everyday use.

This personalised sports bag can be customised from one piece on a wide range of textile items using screen printing transfer, MSO transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, schools and individuals wanting visible branding on the front pocket. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Standard production 10 working days, collection in Evere or delivery in Belgium, France and Luxembourg.
