DESCRIPTION

This travel set in 100% polyester (one size) brings together travel essentials: an inflatable neck pillow, eye mask, earplugs and a compact pouch. The polyester fabric is lightweight and smooth, making the set easy to pack. The main closure uses a central Velcro fastening for quick access. Designed for on-the-go use, the items are easy to care for following the manufacturer's guidance.

The inflatable pillow allows adjustable support and packs flat into the pouch when deflated. The contoured eye mask blocks light effectively and the earplugs reduce travel noise. The pouch keeps everything organised and ready to hand when needed, making it convenient for short trips or business travel.

Suitable as a personalised travel set for companies, clubs, associations and events. Customisation techniques available include screen printing transfers, MSO transfer, DTF printing and flex. Personalisation is possible from one piece and our studio can vectorise or retouch your logo.
