DESCRIPTION

Medium men's insulated bag with a boxy cut and zip closure. The outer is 100% jute with a cotton front pocket for extra storage and wide cotton handles for comfortable carrying. The interior features an aluminium thermal layer combined with high-density insulating foam to help maintain temperature and allow simple surface care. Supplied in one size and available in several colours (e.g. Natural).

This insulated bag can be personalised from a single piece and suits companies, sports clubs, associations, events and private customers. Personalisation techniques available: transfer, DTF printing and flex. Practical for a personalised isotherme applied to the cotton pocket or the jute exterior.
