DESCRIPTION

A compact, practical shoulder bag designed for everyday use. Its vertical rectangular cut in durable polyester is available in several colours such as Black and Navy and in sizes S and M. A front zipped pocket and a main zip give quick access to essentials, while the adjustable, detachable shoulder strap allows comfortable over-the-shoulder or cross-body wear.

Practical details include reinforced stitching at the corners for shape retention, a discreet front zip for small items and a woven adjustable strap with plastic buckle and swivel hook. Care is limited to targeted cleaning suitable for polyester to keep the bag's structure and colour intact.

This item can be personalised from a single piece for companies, sports clubs, associations or events. We offer personalised shoulder bag decoration by screen printing transfer, MSO transfer, DTF printing or flex. Our design studio can retouch or vectorise your logo prior to production.
