DESCRIPTION

Practical shoe bag made from 100% polyester, offered in one size to fit adult pairs. It features a top zip closure and a side carry loop for easy handling. The durable fabric provides good structure and is straightforward to clean as needed. This personalised shoe bag can be customised from 1 piece on a wide range of textiles.

The bag is finished with contrast piping and includes two ventilation eyelets to improve breathability. Its tapered shape allows shoes to be slid in and out without deforming them, and the visible zip along the top gives quick access. Available in several colour combinations such as Royal Blue / Light Grey, Navy / Slate Grey or Red / Light Grey.

Customisation options include screen print transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, schools, youth movements and private customers looking for a practical, branded solution for events, travel or storage. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
